ADJUSTMENT / DENIAL REASON CODES

Code	Description	Recommended Action
CO-4	Service requires prior authorization — referral or auth not on file	Obtain prior authorization from the MCO for the visit type, then resubmit with the auth number in Box 23 of the CMS 1500.
CO-45	Charge exceeds MCO fee schedule (\$80.00 of \$100.00 paid; \$20.00 contractual write-off)	Post \$80.00 as collected. Write off the \$20.00 difference as a contractual adjustment — do not bill the patient for this amount.
CO-96	Non-covered charge — service not included in the member's current benefit plan	Verify patient eligibility and coverage dates for doula services. File an appeal with clinical notes or contact MCO provider services.
